Covid-19 Reopening Protocol Parent Reminders

Upon our return to campus for the remainder of the 2022-2023 school year we will be making changes to many of our procedures. Please review the following procedures prior to your child's return to school.

- All students will enter through our back parking lot entrance beginning at 7:30am
- Pick up will also be in our back parking lot car line. Please do not leave your vehicles. Our teachers will walk students to their cars. Watch your speed!
- If your child is feeling ill please keep them home
- We ask that they wear a 2-ply mask if coughing and sneezing
- Disposable masks and masks that have been lost or left on campus will be discarded daily
- School supplies must be brought to school- items will be taken to the classrooms
- Breakfast and lunch will be provided, but students can bring their own food and water bottle. Water bottle refill stations are available. No outside food may be dropped off in the office for meal times.
- Parents/guardians are not allowed to enter the school building unless an appointment has been made in advance. Communication via phone or email is best.
- Parents/guardians will collaborate to teach students at home how to properly wear and care for their face covering during the school day
- Grades Kindergarten and 7th must have up to date immunizations submitted to the office prior to attending in-person instruction

*Any student with COVID-19 symptoms will be sent home and be required to show proof of a negative COVID-19 test prior to returning to school. COVID-19 protocol is strictly followed as per the CDC and County of Los Angeles.

**Arrangements will be made for school work for students who test positive or must quarantine. We appreciate your cooperation as we reopen our campus in a safe and responsible manner. The health and safety of our students, faculty/staff, and families is our priority.

Children today; Leaders tomorrow.
